Summary of Terms and Agreement

From time to time you may have questions regarding the contents of your processing agreement with us. The following information summarizes portions of the Agreement in order to assist you in answering some of the questions we are most commonly asked:

Certain terms of the Agreement such as pricing, are dependent upon the information you have provided and certain assumptions regarding your business and bankcard processing. Accuracy of the MasterCard/Visa volume and average sale amount indicated on the application is also an important component of servicing your account. The price charged may be changed retroactively in the event the information or assumptions are incorrect or there is a change in your business. If you are billed back for such an increase in price you may be charged an additional amount with regard to each transaction processed at the incorrect price.

We may debit your bank account from time to time for amounts owed to us under the Agreement.

Funding for your Card transactions which are settled by us, will be initiated one business day after your submission of the transactions for processing.

The account you designate as your settlement account must be a demand deposit account that is primarily used for business purposes.

There are many reasons why a Chargeback may occur. When they occur we will debit your settlement funds or settlement account. For a more detailed discussion regarding Chargebacks see Section 6 of the Agreement.

If you dispute any charge or funding, you must notify us within 45 days of the date of the statement where the charge or funding appears.

The Agreement limits our liability to you. For a detailed description of the limitation of liability see Section 7 of the Agreement.

We have assumed certain risks by agreeing to provide you with bankcard processing. Accordingly, we may take certain actions to mitigate our risk, including termination of the Agreement or establishment of a reserve account under certain circumstances. In addition, actual sales deposits materially greater than estimates provided by you may result in funding delays and/or additional information requirements to support a reevaluation of your account.

By executing the Agreement with us, you are authorizing us to obtain financial and credit information regarding you and your business throughout the term of the Agreement.

The Agreement contains a provision that in the event you terminate the Agreement early, you will be responsible for the payment of an early termination fee.

We hope that the above information is helpful to you. Of course, in the event any of the above information conflicts with the Agreement, the terms of the Agreement will control.
